

TBD

Business Name To Be Chosen

Commercial Janitorial & Facility Care | Mount Holly, North Carolina

PRE-REGISTRATION CAPABILITY PROFILE

Replace pending fields before external use

Hospitality operations discipline applied to commercial facility care.

This is a pre-formation capability-profile layout for a planned women-owned commercial janitorial and facility-care company serving Gaston and western Mecklenburg counties. It becomes an external capability statement only after the legal name, contact channels, insurance, registrations, scope, and verified experience are inserted.

PRIMARY NAICS ALIGNMENT
561720 | Janitorial Services

PRIMARY PSC ALIGNMENT
S201 | Custodial Janitorial

SERVICE AREA
Gaston and greater Charlotte, final radius pending

CORE CAPABILITIES PLANNED

- Recurring office and administrative janitorial service
- Restroom, breakroom, floor, glass, waste, and high-touch care within a written scope
- Public-area opening and closing readiness
- One-time turnover and event reset cleaning
- Founder-led startup checklist and quality review
- Documented issue escalation and consumable observations

OPERATING DIFFERENTIATORS

- Hospitality operations standards adapted to each facility
- Written tasks, frequencies, exclusions, and access rules
- Founder-led account startup and review
- Site-specific safety and key-control requirements
- Clear corrective-action path for missed tasks
- Local Mount Holly and Gaston County base

MANAGEMENT

Owner-operated

Both managing members carry hands-on operations and supervisory experience from high-volume, public-facing service environments, including sanitation controls, inspection readiness, shift accountability, and presentation standards. Individual resumes and credentials are furnished on request. This is individual work experience, not Business Name To Be Chosen past performance.

NAICS 561720 and PSC S201 alignment	DEFINED
Legal entity and ownership documents	PENDING FORMATION
SAM registration, UEI and CAGE	PENDING
SBA WOSB or EDWOSB certification	PENDING ELIGIBILITY REVIEW
Insurance, bonding and screening	PENDING FIRST SCOPE
Company past performance	NOT YET ESTABLISHED

Claim boundary: This is a prelaunch planning artifact. It does not represent an existing legal business as SAM registered, insured, bonded, background cleared, WOSB certified, EDWOSB certified, or ready to perform a government contract. Final identifiers and credentials must be inserted only after verification.

Contact information required before launch

Business email, business phone, legal address, managing contact, website domain

Government identifiers added when active

UEI, CAGE, SAM status, certification status, insurance limits, approved references
